China trade forum

MID North Coast businesses are invited to attend a series of China Trade Forums hosted by the NSW Business Chamber to find out how they can take advantage of growing demand for Australian goods and services in the world's largest consumer market.

The forum will be tomorrow at 7am at the Rushcutters Room Panthers, 1 Bay Street, Port Macquarie.

"We all know there is opportunity in exporting to China, but for many small and medium-sized businesses taking the first steps to establish-

ing a successful export business can be extremely daunting," said NSW Business Chamber Mid North Coast Regional Manager, Kellon Beard.

"Mid North Coast businesses in agribusiness, food and beverage, online retail, or services such as tourism are encouraged to come along to this event run by the NSW Business Chamber, where our international trade experts will clarify where the demand is coming from, and offer practical, success-based solutions to help your business make the most of the opportunities in China."
