Chinese economy SHANGHAI, April 15 (Reporter Shen then Jin) Australian Trade Envoy Andrew - Rob Members April 13 at the Shanghai Mart Australian Chamber of Commerce in China exhibition, witnessed by the Australian Chamber of Commerce launched the "Australian Zhen election project" Recent contributed two major cooperation projects between enterprises in Australia.

Signed memorandum of cooperation between the enterprises are: Australia quality bottled mineral water and spring water brand NOVA China's major chain retailers Tang International Holdings Limited, the export of high-end milk and sheep milk known Phoenix International Exports Australia and the Hong Kong Group. Wherein, NOVA mineral water of the first orders for production, Chinese consumers will soon have the opportunity to taste the pure water under the Australian Blue Mountains Wilderness derived.

Australian Chamber of Commerce CEO Stephen - Cartwright at the signing ceremony, said: "This year, April 11 - 15, is the second 'Week Australia - China' Australian business, the size of the delegation of Australia set a calendar Australian business representatives to visit China most of the group. as one of the important part of business activities, and we are honored to have Mr. Envoy for us to witness two major cooperation. "

"This not only reflects their support for the Special Envoy has joined our project more than 100 Australian export companies, but also demonstrates the determination of the Australian government will further promote bilateral trade cooperation. With the entry into force of the FTA in Australia, we Chamber of Commerce will continue to help these companies achieve their 'Chinese exports dream'. "

Last year, China-Australia free trade agreement before the implementation of the Australian Chamber of Commerce has set up in China's Shanghai Mart exhibition, unveiled last year, is still here, "the Australian Zhen election project" is committed to providing one-stop business solutions to Chinese buyers, so their homes will be able to experience authentic Australian style, purchasing a reliable, high-quality products and services in Australia.

It is reported that the project is running only six months, the Australian Chamber of Commerce and trade cooperation had contributed to the success of Australia's 60 export enterprises with potential Chinese partners. Australian trade cooperation covering the most popular types of goods, including food and beverages, skin care products, health care products and baby products.

"With China's sustained economic development, people's living standards continue to improve, the safety and quality of products have higher pursuit from Australia natural, clean, safe and high quality food for all kinds of more and more Chinese consumers. since the implementation of China-Australia free trade agreement last year, the second tariff reduction has been achieved. more and more Australian businesses the products have been in a more favorable cost structure or price of exports to China. "Cartwright expressed.

"Our 'Australian Zhen election project' Australia can provide professional support enterprises of both sides, bilateral trade significantly reduced pressure during and uncertainties, particularly in Australia to help SMEs to overcome cultural differences and unfamiliar regulations and other obstacles achieve docking with Chinese enterprises in their trusted environment, to ensure that Australian companies firmly grasp the huge opportunities in Australia free Trade Agreement brought about. "

Australian Chamber of Commerce has decades of experience in international trade and commerce, professional team Chamber of Commerce every year successfully helped hundreds of Australian companies export goods to China, and helped hundreds of Chinese enterprises with the Australian government, associations and enterprises to establish contact , investment and market development.

"With the increasingly close relationship between China and Australia, we will continue to develop more tailored for the Chinese market programs, services and in-depth solutions, docking between enterprises, promote bilateral trade and commercial exchanges, reached a cooperation, and at the same time help Macao enterprises to achieve their business vision. "Cartwright said.
