Australian Trade Envoy Mr Andrew Robb witnessed the signing ceremony

Shanghai Hotline News April 14, a time when the Australian Trade Envoy Andrew Robb (Andrew Robb) Senator's visit, his visit in Shanghai Mart China Australia Chamber of Commerce hall, witnessed by the Australian Chamber of Commerce launched the "Australian Zhen election project" Recent facilitated two major cooperation between enterprises in Australia.

In the ceremony, the Australian high-quality mountain spring water bottled mineral water brand NOVA major retailer with China Tang International Holdings Limited; export premium milk and sheep milk known Phoenix International Exports Australia and the Hong Kong Group, signed a memorandum of cooperation. Wherein, NOVA mineral water of the first orders for production, Chinese consumers will soon have the opportunity to taste the pure water under the Australian Blue Mountains Wilderness derived.

Australian Chamber of Commerce CEO Stephen Cartwright (Stephen Cartwright) President at the signing ceremony, said: "On April 11 - 15, is the second 'Australia Week - China' Australian business, the size of the delegation of Australia hit Australia most of the business delegation to visit China over the years. the business activities as one of the components is important, and we are honored to have Mr. Envoy for us to witness two major cooperation. "

"This not only reflects their support for the Special Envoy has joined our project more than 100 Australian export companies, but also demonstrates the determination of the Australian government will further promote bilateral trade cooperation. With Australia free trade agreement in force up to more than six months old, we continue to help these enterprises Chamber of Commerce their 'Chinese exports dream'."

Australian Chamber of Commerce in China last year unveiled "Australian Zhen election projects," and the establishment of the Chinese in Shanghai Mart exhibition, to establish an online virtual exhibition hall and micro-channel platform (AustralianChamber), is committed to providing a one-stop business solutions for Chinese buyers programs, so that they stay at home will be able to experience the authentic Australian style, purchasing a reliable, high-quality products and services in Australia.

In the six months to run the project on the occasion, the Australian Chamber of Commerce has successfully contributed to Australia's export trade cooperation 60 Chinese enterprises and potential partners. These partnerships cover trade in Australia are the most popular types of goods, including food and beverages, skin care products, health care products and baby products.

"With China's sustained economic development, people's living standards continue to improve, safety, quality products with higher pursuit, from Australia natural, clean, safe and high quality food for all kinds of more and more Chinese consumers. since the implementation of China-Australia free trade agreement last year, the second tariff reduction has been achieved. more and more Australian businesses the products have been in a more favorable cost structure or price of exports to China." Mr. Cartwright expressed.

"Our 'Australian Zhen election project' to provide professional support to Australian enterprises of both sides, bilateral trade significantly reduced pressure during and uncertain factors, while ensuring that Australian companies firmly grasp the Australia free trade agreement brought to tremendous growth opportunities."

Australian Chamber of Commerce has decades of experience in international trade and commerce. Each year, the Chamber of Commerce professional team successfully helped hundreds of Australian companies export goods to China, and helped hundreds of Chinese enterprises to establish contact with the Australian government, associations and enterprises, investment and market development.

"With the increasingly close relationship between China and Australia, we will continue to develop more tailored for the Chinese market programs, services and in-depth solutions, docking between enterprises, promote bilateral trade and commercial exchanges, reached a cooperation, and at the same time help Macao enterprises to achieve their business vision." Mr. Cartwright added.
